BROADVIEW

has arrived at Knox

*Broadview represents the evolution of **The United Church Observer**: after 190 years of publishing, the magazine has been updated for the future.*

Copies are available now.

A pair of hands is shown from the wrist down, gently cupping a vibrant purple butterfly with dark brown borders on its wings. The background is plain white.

Reflecting
Grace
in **GIVING**
2 Corinthians 8:7

While you're enjoying the season your church's expenses continue. Please make sure your givings are up to date before you go away or – better yet – sign up for PAR. Have a safe & enjoyable summer.

As we gather for worship we remember that in this region we live and work and worship on lands that are the unceded territory of the Mi'kmaq.

**May we live with respect in this land
and live in peace with its peoples**

Overflow Parking

Florence Street is available when extra parking is needed to attend Knox activities. *Please be a good neighbour and leave parking at our surrounding businesses for their customers.*

A graphic with a light gray and white checkerboard background. At the top, the word "SUMMER" is written in a blue, stylized, outlined font. Below it, a blue banner with a white border and a slight 3D effect contains the words "OFFICE HOURS" in white, bold, sans-serif capital letters. To the right of the banner is a bright yellow sun with a circular face and several long, wavy rays extending downwards and to the left.
